

Pranam and Jai Jinendra,

My name is Chintan Shah, a candidate for JCSC EC position and a current EC member.

My family and I moved from Ahmedabad, India, to Orange County, California 17 years ago. I run a small manufacturing business near Victor Valley.

For the last 17 years, I have been part of our Jain Center community and have been a lifetime member for the past 9 years. This Center has truly become a second home for my family, including my wife, Rajal, our two sons, Aum and Dhruv, and my parents, Rajeshbhai and Shilpaben. Both Aum and Dhruv attend Pathshala, where they are growing in their understanding of Jainism and our culture—helping them become compassionate, responsible individuals.

Over the past year as an EC Member, I have provided seva in:

- Pickup / Drop off Dignitaries to Airport
- Lead Audio Visual (AV) in multiple JCSC events
- Serving food during JCSC events
- Lead kids cultural program during Paryushan
- I am currently EC Liaison for Steam club and member of Religious committee.

The Jain Center has done so much for our community, and I am going to continue my seva in the years to come. As our Center continues to grow, we need a blend of youthful energy and experienced guidance to take our community into its next phase of development.

I am looking forward to your support to join EC so I can contribute actively to the continued success and vibrancy of our Jain Center.

Thank you for your time and your consideration.
