

Jai Jinendra

I am honored to call the Jain Center of Southern California (JCSC) my second home. My family and I have lived in Fullerton for the past 43 years, and I have been an active member of JCSC since 1982.

Even before the establishment of the Jain Center, our family hosted a **Ghar Derasar** in our home, where members of the community gathered for **Dharma Aradhana** during Paryushan, Diwali, and other important religious occasions.

These early experiences instilled in me a lifelong commitment to **Seva Bhav**, a value that continues to guide my personal and community service.

I earned a Bachelor of Science degree in Accounting from California State University, Fullerton. For more than 40 years, I have managed our family's diamond wholesale business. In addition, over the past 14 years, I have been actively involved in real estate investment and development, gaining valuable experience in construction, project management, and long-term planning.

With the blessings of our Gurus, the support of our community, and God's grace, I have had the privilege of serving JCSC through my **Tan, Man, and Dhan** on several committees, including:

- Executive Committee
- Maintenance Committee
- Religious Committee
- Pratishtha Committee
- Election Committee

Beyond JCSC, I have served on the Boards of:

- Diamond Club West Coast
- Indian Diamond and Color Association
- Southern California Cricket Association
-

I am also actively involved in community service and regularly volunteer with organizations such as ACC, TCCOP, and Brown Bag Brigade in support of seniors, the homeless, and people in need.

Vision and Goals for JCSC

As a member of the Board of Directors, I am committed to:

- Upholding integrity, transparency, accountability, and disciplined decision-making in accordance with Jain principles, JCSC bylaws, and sound corporate governance practices.
- Developing innovative programs that engage the younger generation, strengthen their connection to Jain values, and foster a deeper sense of belonging within JCSC.
- Promoting a culture of **Seva Bhav** throughout our community.
- Leveraging my construction and development experience to assist with future capital and expansion projects.

- Exploring opportunities to develop a retirement community for our members in close proximity to the Center.
- Supporting the long-term spiritual and organizational growth of JCSC with the aspiration of **"Savi Jiv Karu Sasan Rasi."**

My family and I remain deeply grateful to JCSC for providing such a meaningful platform for our spiritual growth and community involvement.

I humbly seek your blessings, trust, and support as I continue my journey of service. I would be honored to represent our community as a member of the Board of Directors and respectfully ask for your vote.

Jai Jinendra.
