Jai Jinendra!

Our Derasar has been an integral part of my life and spiritual journey. It has been a privilege and a blessing to serve our Sangh in various capacities, including as an Executive Committee Member, Public Relations Officer, and Board of Directors member. Through these experiences, I have developed a deeper understanding of the importance of Seva (selfless service), unity, dedication, and collective responsibility in preserving our Jain Dharma and strengthening our religious community.

I believe that serving our Derasar is not simply a responsibility but also an opportunity to practice the values that Jainism teaches us every day — Ahimsa (non-violence), Satya (truthfulness), Aparigraha (non-possessiveness), compassion, humility, and mutual respect. Every contribution, whether big or small, becomes meaningful when offered with sincerity and the intention of serving Bhagwan Mahavir and our Sangh.

Throughout my 22 years of service, I have focused on supporting our religious programs, ceremonies, and community activities to ensure that our members can participate in and benefit from these spiritual experiences. Whether supporting the Food Committee in arranging meals for our events or helping coordinate the 18 Abhishek ceremonies by ensuring proper seating and timely arrangements for each puja, I have always believed that thoughtful preparation and dedicated service help create a meaningful religious experience for everyone.

I was also fortunate to contribute to the planning and coordination of our annual Anniversary Celebrations, including our 25th Anniversary and 2019 Jaina Convention. These important milestones brought our community together, strengthened our connection to Jain traditions, and provided opportunities to celebrate and share our faith with others.

My commitment to the spiritual growth and long-term well-being of our Derasar continues to grow. I actively participate in the Religious Committee and Bylaws Committee. Through these responsibilities, I hope to contribute to preserving our religious traditions while ensuring that our organization continues to operate with transparency, fairness, unity, and respect for the values that guide our Sangh.

I firmly believe that our Derasar is much more than a place of worship. It is a spiritual home where individuals and families come together to pray, learn, practice Jain principles, seek inner peace, and strengthen their connection with our faith. It is also our responsibility to create an environment where our children and future generations can understand, appreciate, and carry forward the teachings of Bhagwan Mahavir and the timeless principles of Jainism.

If elected to the Board of Directors, I will bring my 22 years of experience, understanding of our Derasar, and continued commitment to Seva. I will strive to make thoughtful and responsible decisions that uphold our Jain values, support our religious activities, encourage participation across all generations, and strengthen the unity of our Sangh. I believe that progress should always go hand in hand with preserving our traditions and respecting the spiritual foundation upon which our Derasar was built.

My family has also played an important role in my journey and dedication to our community. My wife, Mona Modi, my son, Tirth Modi, and my daughter-in-law, Devanshi Modi, have been a constant source of encouragement and support. I am grateful for their understanding and support in allowing me to dedicate my time and efforts toward serving our Sangh.

After 22 years of involvement, my devotion to our Derasar, our Jain faith, and our Sangh remains as strong as ever. I humbly seek your support and the opportunity to serve another term on the Board of Directors. I look forward to continuing this journey of Seva with sincerity, humility, and dedication, working together to preserve our religious heritage and ensure that our Derasar remains a place of faith, learning, worship, and spiritual growth for generations to come.

Your vote is an opportunity for me to continue my Seva to our Derasar and Sangh. I sincerely ask for your support and blessings.

Thank you for your time, consideration, and continued support. May the blessings of Bhagwan Mahavir guide us all toward peace, harmony, and spiritual progress.
